Wembley Square, Gardens

Wembley Square is ultra-conveniently located just around the corner from the Roeland Street off-ramp - a 2 minute drive from Garden's Shopping Centre. The block emanates "Google Campus" energies as it draws inspiration from the tech giant's Play, Work, Live environments. It's an entire precinct that has changed the face of how people and property interact in the trendy east side of Cape Town's City Centre.

Features

- ✓ Swimming pool
- ✓ Faircom fibre ready
